While we are born with each of the Holy Ideas available to the soul, one slant is innately more compelling, that of the Holy Idea of our particular point on the Enneagram... and in time, our point of view crystalizes around a limited point of view or fixation which becomes our personality. Thus we begin to lose contact with our Essence and consequently, with Great Being.

#### SOUL CHILD AS HEALER

Sacred Art of Living Center ©2020

#### THE DILEMMA

The Soul Child is not simply a younger version of ourselves as we are now.

It is the part of us that was not held, fully allowed and supported as children

Its qualities (which reside in the Heart Point)
were not acceptable in our childhood
environment so we learned to suppress these
aspects of ourselves...

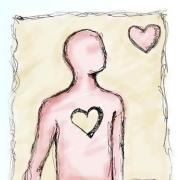

#### THE HEALING

The nature of the Heart Point correlate to one of the most problematic structures in our soul called the Soul Child (Almaas/Diamond Approach)

Since our soul child is a part of our consciousness that was arrested when we were very young...

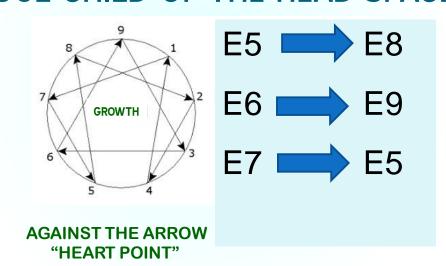

...when begin to re-member our Soul Child
we will also encounter its associated Passion
which once fueled our Ego-formation and now cries for reconciliation.

### TRANSFORMATIONAL IDEA: HOLY TRUTH

How does re-membering that truth that exists in every being help me lessen my need to dominate others?

"Forgive others as quickly as you expect God to forgive you."
