Online Workshop

Learn about the essential quality of compassion and “exquisite empathy” in caregiving through the meta-skills of contemplative practice and enhanced self-awareness.

Work with the classical tools of spiritual discernment with a focus on learning how to ask courageous questions.

Rediscover the time-tested skills necessary for maintaining a centered, healthy presence in both the professional and personal worlds.

Experience a variety of creative healing modalities through yoga movement, haiku poetry, mandala drawings from the soul, sculpting and the healing effects of music therapy.
