This six month programme includes the workshop followed by 5 facilitated Circle of Trust[®] study groups.

In depth study of the four classical dimensions of existential and spiritual suffering: Meaning, Forgiveness, Relatedness and Hope.

Learn from the world's great healing traditions from many cultural perspectives with a special emphasis on Native American and Hispanic traditions.

Reflect on the correlation between the traditional stages of human development and the stages of faith development, especially as they impact end of life care and bereavement.

Examine the prevalent issues of spiritual and religious abuse as they relate to psycho-spiritual suffering.
