Online Workshop

Learn about the rich cultural history and clinically effective practices for detecting and alleviating spiritual and emotional distress.

Experience best practices to support yourself and others in times of loss, transition, illness and at the end of life.

Discover a Total Pain Management Model with results that include reduced anxiety, improved quality of living, and more effective pain management.

Encounter valuable tools and insights in order to examine life's priorities, address death anxiety and to re-connect one's "soul and role."
