A life renewing opportunity to take  
**inventory** of your **deepest life priorities**  
— regardless of your age or state of life

Create a **Living Spiritual Will** for your  
friends and family based on profound  
Wisdom Tradition

Discover how naming your soulful  
priorities can enhance your **sense of  
peace** and commitment to overall  
**health and wellbeing**

Richard Groves will be our  
guide and facilitator for  
this engaging and creative  
workshop
