

The Art, Science & Practice of Sacred Relationship

PRE-REQUISITES FOR *BECOMING ANAMCARA*

Two pre-requisites must be completed before starting the *BECOMING ANAMCARA* Apprenticeship in the Autumn/Fall 2025

PRE-REQUISITE: #1

ART OF LIVING & DYING SERIES/CIRCLES OF TRUST© PROCESS

*The world's oldest health care and hospice system, known as the Ars Moriendi, was profoundly influenced by early Celtic healers. The skills of that tradition, as well as a grounding in the wisdom and practice of the small group process as developed by Parker Palmer and the Center for Courage & Renewal are foundational to the *BECOMING ANAMCARA* apprenticeship.*

The following are three options which satisfy this pre-requisite:

OPTION ONE: Prior completion of the four part *Art of Living & Dying (Healing the Healers)* which included participation in a Circle of Trust© between workshop modules.

OPTION TWO: Participation in the on-line *Art of Living & Dying* series beginning in Oct 2024.

HOW: Attend four (day and a half) virtual workshops which will include participation in a Circle of Trust© group with fellow participants.*

Friday-Saturday 4-5 October 2024

Friday-Saturday 17-18 January 2025

Friday-Saturday 25-26 April 2025

Friday-Saturday 6-7 June 2025

*All workshops are scheduled as zoom meetings on Fridays(9am-12noon) and Saturdays (7am-2pm) Pacific Times.

CONTACT HOURS: 9 hours per module workshop + 3 Circle of Trust© meetings @ 2 hours each = 18 hours per module or **TOTAL: 72 hours**

FEE: US \$150 per module; *BECOMING ANAMCARA* apprentice applicants can participate in all four modules at a discount fee of **\$500 US**

OPTION THREE: In lieu of participating in the **Art of Living & Dying** series, Anamcara Apprentice applicants may complete a self-study of similar material through the **Sacred Art of Living** online series: **Soul & Science: Lessons for Caregivers**. Each series consists of five lessons with a video teaching, reflection questions and best practices for each lesson. In addition, applicants must complete one of the **Foundations for the Courage and Renewal** programs offered through the **Center for Courage & Renewal**. This online program serves as an orientation to the principles that are foundational for the **Circles of Trust©** process—which are an essential aspect of the **Becoming Anamcara Apprenticeship**. Following the completion of all OPTION THREE requirements, apprentice applicants would complete a short reflection paper/report.
