

Healing Through Grief & Loss

*Just as every love story is unique so is every experience of loss. This workshop is about great patterns of spiritual wisdom that can guide and comfort every person who has, is or will experience deep grief. Inspiring and healing insights will be drawn from the book, **THE ALCHEMY OF GRIEF: The Power of Suffering and Love to Transform**, co-written by Richard and Mary Groves of the Sacred Art of Living Center in Bend Oregon.*

Sacred Art of Living
