

Spirit of the Enneagram Workshop

Two-Day Event: July 11-12, 2025

Introduction to Spiritual Psychology

PROGRAM INFORMATION

The Enneagram is a remarkable tool for psychological and spiritual growth. This ancient wisdom tradition offers clinical insight that explains why we behave in the way that we do by uncovering our unconscious motivations and deeply rooted influences. The lessons of the Enneagram are not learned by studying books or concepts, but through an elegant process called the oral tradition. It is only from sharing and hearing the stories of others, that your personal life 'script' is revealed.

The Spirit of the Enneagram will enable you to—

- Understand your core motivations & behaviors
- Enhance the quality of your relationships
- Heal the wounds to the emotional self
- Reduce anxiety in work and in your personal life
- Create a deeper sense of spiritual wellbeing

The Spirit of the Enneagram Workshop Includes:

- A two-day online workshop that explores the nine personality types of the Enneagram.
- A highly interactive program where participants explore not only their own personality, but gain profound curiosity and re-spect for each of the nine "faces of God."

Richard Groves is an author, pastoral counselor, founder and director of the Sacred Art of Living Community. A student of the Enneagram for thirty years, Richard is a masterful teacher in making the connection between the spiritual and psychological wisdom of this ancient tool.
