Online Spirit of the Enneagram

Two-Day Workshop February 19-20, 2027

Sacred Psychology for Personal Growth

PROGRAM INFORMATION

The Enneagram is a remarkable tool for psychological and spiritual growth. This ancient wisdom tradition offers clinical insights that explains why we behave in the way that we do by uncovering our unconscious motivations and deeply rooted influences. The lessons of the Enneagram are not learned by studying books or concepts, but through an elegant process called the oral tradition. It is only from sharing and hearing the stories of others, that your personal life 'script' is revealed.

The Spirit of the Enneagram will enable you to—

- **Deepen your own sense of wellbeing**
- **Heal the wounds to the emotional self**
- **Improve relationship with family and at work**
- **Address unproductive patterns of anxiety and fear**
- **Explore the spiritual dimensions of everyday living**
- **Face challenges with renewed hope and insight**

The Spirit of the Enneagram Workshop Includes:

- A two-day in person workshop that explores the nine personality styles of the Enneagram.
- Access to testing tools, program manuals and a wealth of materials for ongoing personal and work place applications
- A highly interactive program where participants explore not only their own personality, but gain profound curiosity and respect for each of the nine "faces of God."

Richard Groves is a popular author, pastoral counselor, University professor and founder-director of the Sacred Art of Living Center in Bend Oregon.
